

ON THE CUSP OF CHANGE

The Municipality of Meaford is Changing.....

Our demographic is shifting, our economics are evolving and our climate is unpredictable.

I see an opportunity to make the Municipality of Meaford better for ourselves and for future generations. I imagine our community growing harmoniously while maintaining our identity, improving our prosperity and our well being. My four pillars program will make this happen.

Let's join forces, work together and seize this chance to build a more prosperous, thriving municipality

I will be here for you throughout this change,
I will be your voice.

Choose experience, proven leadership and results
